

The Kāpiti Performing Arts Centre represents the region's most significant new public building project. A valuable sponsorship opportunity!

It will be the only purpose-built community theatre between Wellington and Palmerston North, attracting a wide variety of performances, events and exhibits.

The Centre will be a state-of-the-art facility educating the next generation of performing artists for New Zealand and encouraging and supporting performing arts for the community in Kāpiti and beyond.

With two theatres, a generously proportioned foyer and smaller practice rooms, the Centre will be highly visible and accessible for the local Kāpiti and wider Wellington regional communities.

Help us build a creative hub for all of Kāpiti

Kāpiti College is still seeking significant funding contributions from the community: please help us reach our goal to fundraise \$2 million to complete the Kāpiti Performing Arts Centre.

You can support us by:

- donating on **Give a Little**: www.givealittle.co.nz/cause/kapitiperformingartscentre or send a cheque to Kāpiti College
- investing in naming rights
- sponsoring a theatre seat
- helping us fundraise (donating time, expertise, business services, high-worth auctionable goods etc).

What's in a name?

Would you like the opportunity to be associated with a positive local development that fosters community and culture in Kāpiti?

We're still seeking major naming rights sponsors to help us reach our goal of \$2 million to complete the project. Naming rights sponsorship is an opportunity to profile your business, honour someone or leave a legacy.

The buildings to be named are:

- The Kāpiti Performing Arts Centre
- The Black Box Theatre
- The Grand Foyer

The Main Theatre is sponsored by Coastlands Shopping Centre.

Each sponsorship opportunity has a 10-year term and includes a first right to renewal. Our team will work with you to leverage off this partnership through branding, signage media and communications opportunities.
